

*Computers and Mathematics with Applications* hereby apologizes for the printing of an article entitled "The Age of Galerkin Method for Solving Two-Point Boundary Value Problems" by D. J. Evans in its journal Volume 16 No. 12, pages 1045 to 1055, 1988, which article was substantially plagiarized from Chapter 2 of a book entitled *Finite Element Galerkin Methods for Differential Equations* by Dr. Graeme Fairweather of the Mathematics Department, University of Kentucky, Lexington, Kentucky, published by Marcel Dekker, Inc., copyright 1978.
